## ***Reception at the City Hall in Eskilstuna***

***Authors:*** Erika Strålberg, Kristin Österberg

### ***Introduction***

This is one of the activities directly related to dissemination of the project. All students and teachers went to the city hall, to be welcomed to the municipality by the mayors.

In Eskilstuna there are three mayors, who are also the presidium of the municipality council. The chairman of the council, Ann-Sofie Wågström, vice chairman Lars OlovLundkvist, and Faisal Hassansecond vice chairman, welcomed us to Eskilstuna.

We were shown a film about the city that included information about global companies located in Eskilstuna, such as Volvo Construction Equipment and Alfa Laval.

The Mayors tells us about the importance of young people to meet, to learn about each others cultures and find a mutual respect.

All visitors receives some presents from the municipally, and they also provide us with biscuits and lemonade.

### ***Results***

Everybody got to know a bit more about the modern Eskilstuna, how the municipally is ran and the importance of international exchanges.

### **Conclusions**

Everybody got to know a bit more about the modern Eskilstuna, how the municipally is ran and the importance of international exchanges.

### **Thanks**

Our greatest thanks to Ann-Sofie Wågström, Lars Olov Lundkvist and Faisal Hassan, Mayors of Eskilstuna, being able to receive us at the town hall.
